About This Content

You don't need good manners or fancy talk if you can just take what you want. This crew of roughnecks cruises the seven seas in search of fame, glory and gold. Well, mainly gold - they can live without the fame and glory as long as they get rich! A diverse and dangerous team perfect for terrorizing the high seas.

Team Bonus:

Pirates love gold, so they get 20% more when they win. Tough luck other teams.

This add-on includes the Pirates Of Tortuga deck and 9 Pirates avatars.
